

Internship Description

Kids Helping Kids Program Intern- Holland

150 hours / 10-15 hours per week

Reports to: Senior Outreach Manager and Kids Helping Kids Coordinator.

For fifteen years, Kids' Food Basket has been a force for attacking childhood hunger to help young people learn and live well. One in five Michigan children struggles with hunger, robbing them of their energy, health and dignity. A lack of consistent, nutritious food limits cognitive development, leaving kids unable to concentrate in school. Kids' Food Basket is playing a critical role in ending the cycle of poverty by helping kids get the nourishment they need to succeed in school and life.

Childhood hunger is a community problem, with a community solution. Over the past decade, we've grown from serving 125 kids at 2 school sites in Grand Rapids, to now serving nearly 7,500 kids between 34 schools in Grand Rapids, three schools in Muskegon and two schools in Holland. All programs are charitably funded by their individual communities, and made possible through the help of over 250 volunteers every day!
