YOU CAN REDUCE CHILDHOOD HUNGER!

Supper Packs represent the non-perishable items that are put into each Sack Supper. In addition to a Supper Pack, each Sack Supper will receive a fresh fruit, vegetable and protein. Each Supper Pack costs around \$1 to make and must include each of the following in a quart size zipper lock bag. This is an easy project for groups of all ages and you can make any quantity you like!

ASSEMBLY INSTRUCTIONS:

Place one of each of the items below in a quart size bag and seal tight (you can choose either option #1 or #2). Please use only quart size zipper lock bags as supper packs will be packaged into Sack Suppers. Once complete, you can drop them off at Kids' Food Basket. Need help or some ideas?
